New Borrower ID's Help

Use the New Borrower ID's link to view the names of projects within your user authority, the Borrower ID that was entered when the current borrower began with Rural Development, and the system-generated identifying number used when the borrower conducts business with the agency.

When you click on this link, the system displays the Borrower ID List.

The screenshot shows a Microsoft Internet Explorer browser window displaying the USDA MINC web application. The address bar shows the URL: <https://usdaminc.test.sc.egov.usda.gov/MFHNewBorrowerID.asp?callACR=Y>. The page title is "New Borrower ID's". On the left, there is a navigation menu with "New Borrower ID's" selected. The main content area displays a "Borrower ID List" table with the following data:
